

MODEL 62A *Accu-Crimp*[®]

Accurate and Reliable Terminal Crimping. The Model 62A Accu-Crimp[®] is a portable bench top Pneumatic Terminal Crimper designed to crimp loose terminals onto Hookup Wire, Coaxial and Flat Modular Telecommunications Cable. Designed to be compact and powerful, the Model 62A Accu-Crimp[®] delivers up to 1700 lbs. @ 100 PSI, ensuring a tight quality crimp. Due to the unit's portability and light weight (only 15 pounds) the Model 62A can easily be moved from one work station to another offering excellent flexibility. The Accu-Crimp[®] utilizes interchangeable Crimping Dies that are both affordable and available for most all common applications. Simplicity in design makes changeover from one Die Set to another fast and easy, requiring only seconds to complete. As with all Carpenter Equipment the Model 62A comes with a durable Powder Coat Finish and 1 Year Limited Warranty.
